

Yang Liu

E-mail: yangliu@nlp.ist.i.kyoto-u.ac.jp/yangliu.nlp@gmail.com Website: nlp.ly.tech

Education

Kyoto University, Japan

Ph.D. in Department of Intelligence Science and Technology
(advised by Prof.Chenhui Chu)

Oct. 2024 - Now

Tianjin University, China

Master Degree of Computer Technology (advised by Prof.Yuexian Hou)

Sept. 2019 - Dec. 2022

Thesis title: *Mining Effective Features Using Quantum Entropy for Humor Recognition*

Tianjin Normal University, China

Bachelor Degree of Software Engineering

Sept. 2012 - Jun. 2016

Experiences

Independent Researcher

Research on social biases in language models.

Mar. 2023 - Sept. 2024

Antrou Co. Ltd.

Full-Stack Software Engineer

Jul. 2016 - Sept. 2019

Publications

Yang Liu, Chenhui Chu. *Understanding the Prompt Sensitivity*. ACL, 2026.

Yang Liu, Masahiro Kaneko, Chenhui Chu. *On the Alignment of Large Language Models with Global Human Opinion*. AACL, 2026. (**Best Paper Award**)

Yang Liu, Chenhui Chu. *Do LLMs Align Human Values Regarding Social Biases? Judging and Explaining Social Biases with LLMs*. EMNLP, 2025. (Findings)

Yang Liu, Chenhui Chu. *Generating Explanations of Stereotypical Biases with Large Language Model*. NLP, 2025.

Yang Liu. *Quantifying Stereotypes in Language*. EACL, 2024. (**single-authored work**)

Yang Liu. *Robust Evaluation Measures for Evaluating Social Biases in Masked Language Models*. AACL, 2024. (**single-authored work**)

Yang Liu, Yuexian Hou. *Syntax-Aware Complex-Valued Neural Machine Translation*. ICANN, 2023.

Yang Liu, Yuexian Hou. *Mining Effective Features Using Quantum Entropy for Humor Recognition*. EACL, 2023. (Short Findings)

Technical Skills

Programming: Python, PyTorch, Java, Javascript, CSS

Techniques: Natural Language Processing, Deep Learning, Machine Learning, Quantum Theory, WEB Application Development
